To the residents and carers at Sanford House,

The children at Toftwood Junior School would like to thank you so much for taking the time to read our letters and reply to us. They liked making comparisons and seeing the similarities and differences. They listened with great interest and here are some quotes from them.....

“We enjoyed reading the letters that you sent us and thank you for spending the time to share your memories with us.” Alicia

“Thank you for your letters. We really enjoyed reading them.” Lily

“The facts that you have shared with us will help us with our war time lessons that we are doing now.”  
Alicia

“We are very interested to learn what school days were like for you in the past.” Mason

We made a lovely display of our letters.

Thanks once again. We'd love to do this again, on a different theme, in the Autumn term.

Mrs Lee
