

Notice of plans to create a new two class Specialist Resource Base (SRB) at Toftwood Infant and Junior School Federation

Dear Parents and Neighbours,

As part of Norfolk County Council's commitment to invest in Special Education Needs across the county, we are proposing to build a Specialist Resource Base (SRB) with a Social, Emotional, Mental Health (SEMH) specialism at Toftwood Infant and Junior School Federation. The SRB will cater for 16 primary aged children in two classes.

A design team from The Qube have been working closely with Children's Services and Norse Consulting on possible solutions and we are close to agreeing a final design. The Qube anticipate submitting a planning application in January 2025, and before doing so we would like to share the proposal with parents and local residents.

Children's Services will be holding an informal exhibition event on Tuesday 3rd December 2024 at Toftwood Junior School, between 3.30pm and 5.30pm. This is an open, drop in, event, and no booking is necessary.

Representatives from The Qube, Norse Consulting, Children's Services and the school will be available to answer any questions you may have about the proposals. The outline proposals are attached overleaf.

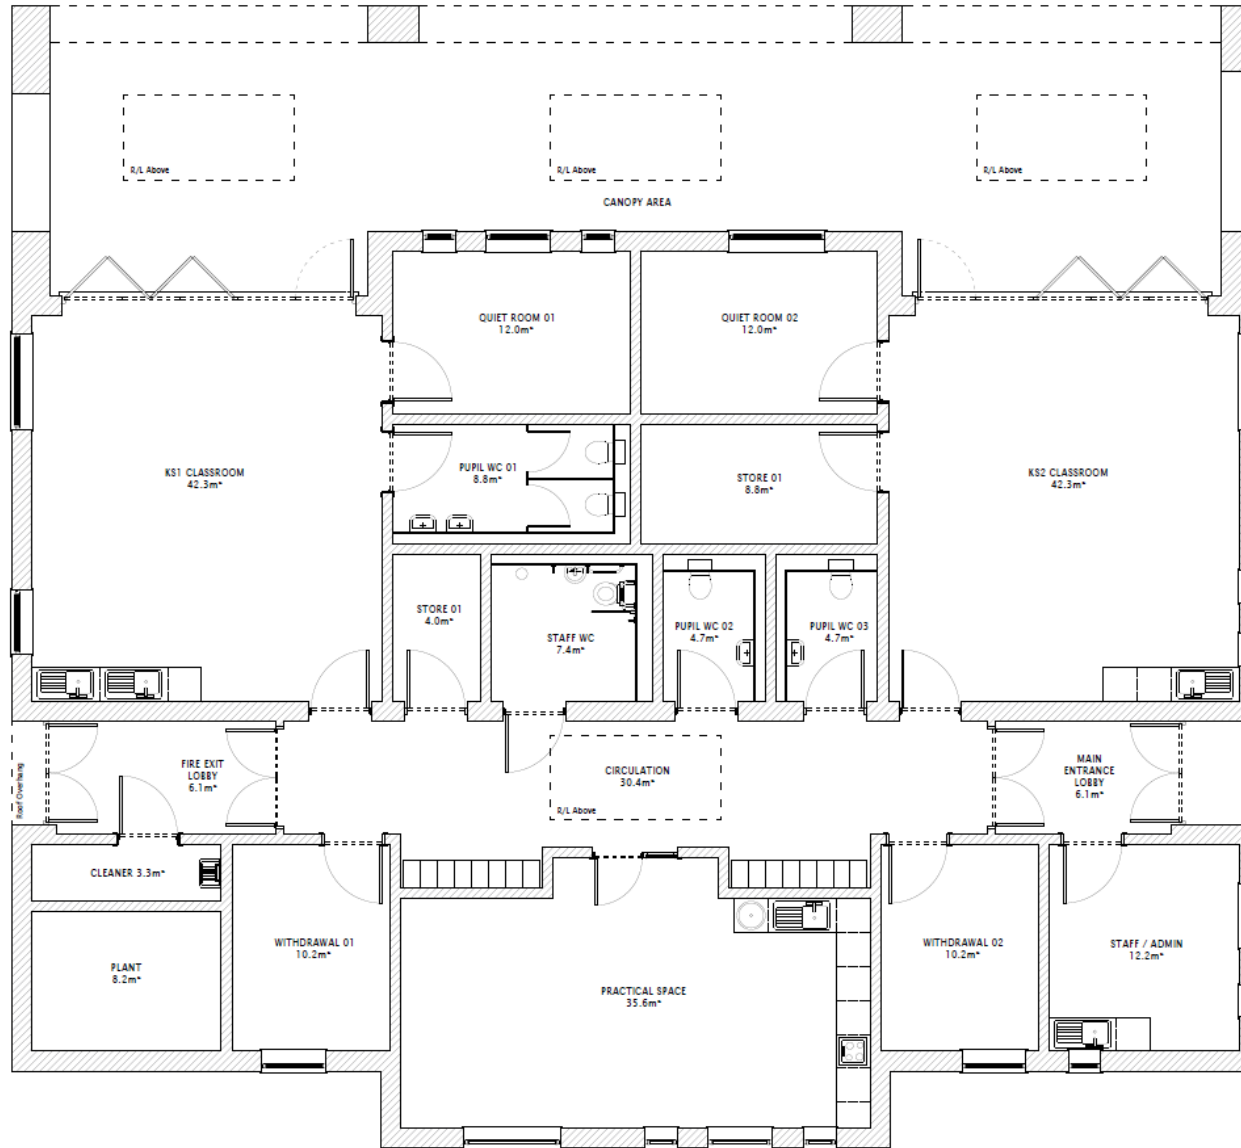

Once the planning application has been submitted there will be the opportunity for individuals and interested parties to express their views to the planning authority as a formal submission. If approved, it is hoped work will start in July 2025, and have a build duration of approximately four to five months.

Please be aware that these plans and dates are provisional and are subject to change. Please check the Norfolk County Council Planning website once the application has been submitted for up-to-date information – this planning application will be submitted under Toftwood Infant School's address.

If you would like to discuss any of the above or have any queries regarding the proposals please contact Jamie Tolman or Chris Brooker, Children's Services Project Officers by email on schoolreview@norfolk.gov.uk
